READ—

Letters Nos. 741—620, and 807—869, dated the 24th February and 14th March 1900, respectively, from the Deputy Commissioner, Shimoga district, submitting the marginally noted travelling allowance bills of his office establishment and soliciting sanction to the mileage claimed therein on behalf of certain officials for having under orders, travelled expeditiously from their head-quarters for the purpose of conducting the jamabandi of the Shikarpur, Channagiri, &c., taluks, and returned thereto after the jamabandi was over.

1. Travelling allowance bill of the Deputy Commissioner's establishment for December 1899.
1. Ditto 1st Assistant Commissioner's establishment for January 1900.
1. Ditto Deputy Commissioner's establishment for January and February 1900.

No. 11392-431—P. & A. 1034, DATED BANGALORE, 12TH APRIL 1900.

ORDER THEREON—The Deputy Commissioner's attention will be drawn to Government Proceedings No. 4214-22—P. & A. 347, dated 23rd September 1898 and No. 3680-88—314, dated the 15th September 1899, under which as well as under the Codal Rules the mileage claimed is inadmissible. As a special case, however, Government find themselves compelled to pass the charge in question, as, otherwise, the officials concerned would, it is reported, be out of pocket for no fault of theirs. The bills will accordingly be forwarded to the Comptroller for audit and payment.

2. Government view with disfavor, and are unwilling to entertain, recommendations for exceptional treatment in such cases and they hope the Deputy Commissioner will, in future, so arrange the movements of himself and of his office establishment as not to throw any additional burden either upon the latter or upon the public Treasury.

3. Government feel sure that the undesirability of deviating from rules deliberately framed has only to be pointed out to ensure their strict observance unless unavoidable.
